SAN DIEGO (October 3, 2016) – Jerry Sanders released the following statement today regarding Mayor Faulconer’s support of the Chargers Initiative:

“Mayor Faulconer and his team carefully examined the initiative from every angle, weighing the opportunities and challenges for San Diego residents, businesses, and government. The safeguards he negotiated will provide the protections our city needs so we can continue to create jobs and grow our economy.

The Mayor and I both want what is best for San Diego. In this plan for a multi-use sports and convention complex, our community can accomplish two things: keep our NFL team in town, and drive progress in the East Village, Downtown, and the entire San Diego region.

Mayor Faulconer’s support of the Chargers Initiative is a strong endorsement of the plan. The Chamber is proud to stand with him on this important decision.”

Jerry Sanders is President & CEO of the San Diego Regional Chamber of Commerce, and former Mayor of the City of San Diego.
